Comments: To Tom -I'am writing this in regards to the HE Davis mine above the town of Levan. On Saturday September 27th at approximately 2:25 p.m. there was a big blast at the mine. I'm concerned about the blast because it was so loud that it shook my house. I was in the basement listening to music and I had my food dryer going and heard the blast over it.

There was a small blast on September 30th which wasn't as bad.

Thank you

Sandy Brooks
